

## GRAFFITI 'SAFEWIPE' DIRECTIONS:

Before starting, put on the gloves that are inside the pack.

**STEP 1** Tear open Graffiti 'Safewipe' Pouch, unfold and scrunch up towel. Using a circular wiping motion remove graffiti in small areas at a time, turning the towel over as you go.

**STEP 2** For best results, tear open Graffiti 'Afterwipe' Pouch and wipe over the area to remove any smears and grime, leaving the job perfect.
